

STEP SHOW

THE MUSICAL

STEP SHOW: THE MUSICAL is an original two-act production that showcases African American step dance and its role in Black college life.

At a Historically Black College and University (HBCU) where history and legacy collide, a young woman's fight to join a step team forces her to confront a buried family secret and choose between fitting in or honoring her bloodline.

THE PATH FORWARD

- Staging a 2025–2026 industry showcase.
- Seeking partners and funding to underwrite the showcase and advance development.
- Building toward a U.S. regional and HBCU tour leading to a Broadway premiere and future international expansion, celebrating Black artistry.
